

# THANK YOU FOR YOUR INTEREST IN ACCEPTING BYO CONTAINERS

Join the BYOC movement and get your business on the map!

BYO Containers are here to normalise refill and reuse. Promote and support businesses to switch from single-use to reuse. Help customers reduce waste.

## What's in it for your business?

Free advertising promoting your business to new groups of loyal customers.

Save on business costs by encouraging reusables.

Reduce waste and pollution.

Be prepared for upcoming single-use plastic bans.

## What you can do:

Take the BYOC pledge to get listed in our online map and prominently display our free poster.

Train staff to tare your scale and safely reuse and refill containers in accordance with your businesses food safety program.

Feel good!
